

In the coming months, a NEW North Kansas City High School will begin to emerge. You will see parts of the building come down, beautiful new pieces go up and a renovation of Old Main, the heart of NKCHS. In an effort to keep NKC residents, staff, parents and students up to date with all things Northtown, we plan to publish a short bi-weekly newsletter. We want you to be part of the Northtown renaissance, so please feel free to share this with friends and neighbors, and let us know if you have any questions or need further information! Just contact Tammy.Henderson@nkcschools.org or call 816-321-5000.

CONSTRUCTION ZONE: July 24 – August 7

The BT Building is gone. The light poles in the back parking lot are gone, as is the asphalt. Underground installation of sewer lines and other utilities is now underway. This work will take the better part of the next couple of weeks. The building pads are the next bit of construction we'll see. These pads serve as the base for Buildings B and C – the classroom building and the gym and cafeteria building.

Check out the progress so far with this link to time lapse photography showing the BT building coming down! <https://www.youtube.com/watch?v=Et-lwgFUK4A>

You have probably noticed the construction fencing that surrounds the fieldhouse and the back parking lot. It is in place for safety purposes and all are asked to refrain from entering.

As always, we will keep you up-to-date on construction activities as the work progresses!

SCHOOL STARTS AUGUST 16!

Believe it or not, the summer break is quickly coming to an end and students will be returning to class at North Kansas City High School. The official first day of school for NKC Schools is Wednesday, August 16. New parking lots will be available for student and staff parking so stay tuned for more detail.

SPECIAL PARKING AREAS FOR FALL FOOTBALL GAMES

Football season kicks off August 11 with the annual NKC Schools Football Jamboree. Due to construction at Northtown, signage will direct attendees to existing parking areas as to minimize disruption for our NKC neighbors. We ask that those attending events at NKCHS or the District Football Stadium to refrain from parking in marked NO PARKING ZONES and PLEASE do not block driveways – you will be towed. Please be patient with visitors to our school and community as we all get use to this change!
