

NOTICE OF OPEN WORK SESSION OF THE CITY COUNCIL OF NORTH KANSAS CITY, MISSOURI

**July 3, 2018
6:00 p.m.**

1. **Call to order**

2. **Municipal Code Audit Regarding Bicycling in North Kansas City** 

With the new Diamond Parkway cycletrack opening later this month, Armour Road bike lanes from Fayette to Ozark planned for this fall, and the Burlington cycletrack in preliminary engineering, staff felt it was a prudent time to review the Municipal Code for potential amendments that might be needed to address new facilities and to ensure that our ordinances are up-to-date. To assist staff with this work, staff engaged BikeWalkKC, a local nonprofit organization whose mission is to make Greater Kansas City a safer and more accessible place to walk and bicycle, to provide technical assistance in reviewing our code and providing information about best practices. Changes to Title 10 of the City Code, *Vehicles and Traffic*, are recommended. The desired outcome of this work session is to review recommended amendments in Title 10 in order to answer questions and ensure that the Council is comfortable with these amendments prior to presenting them for formal consideration.

3. **North Kansas City Business Council – Annual City Funding and Destination Attractions Initiative**

Representatives of the North Kansas City Business Council will be present to discuss the Business Council's mission, its request for annual City funding in Fiscal Year 2019, and its request for one-time funding to develop a Destination Attractions effort to attract visitors to North Kansas City.

4. **Adjournment**
